PRESENTS the

fort Edward, N.Y.

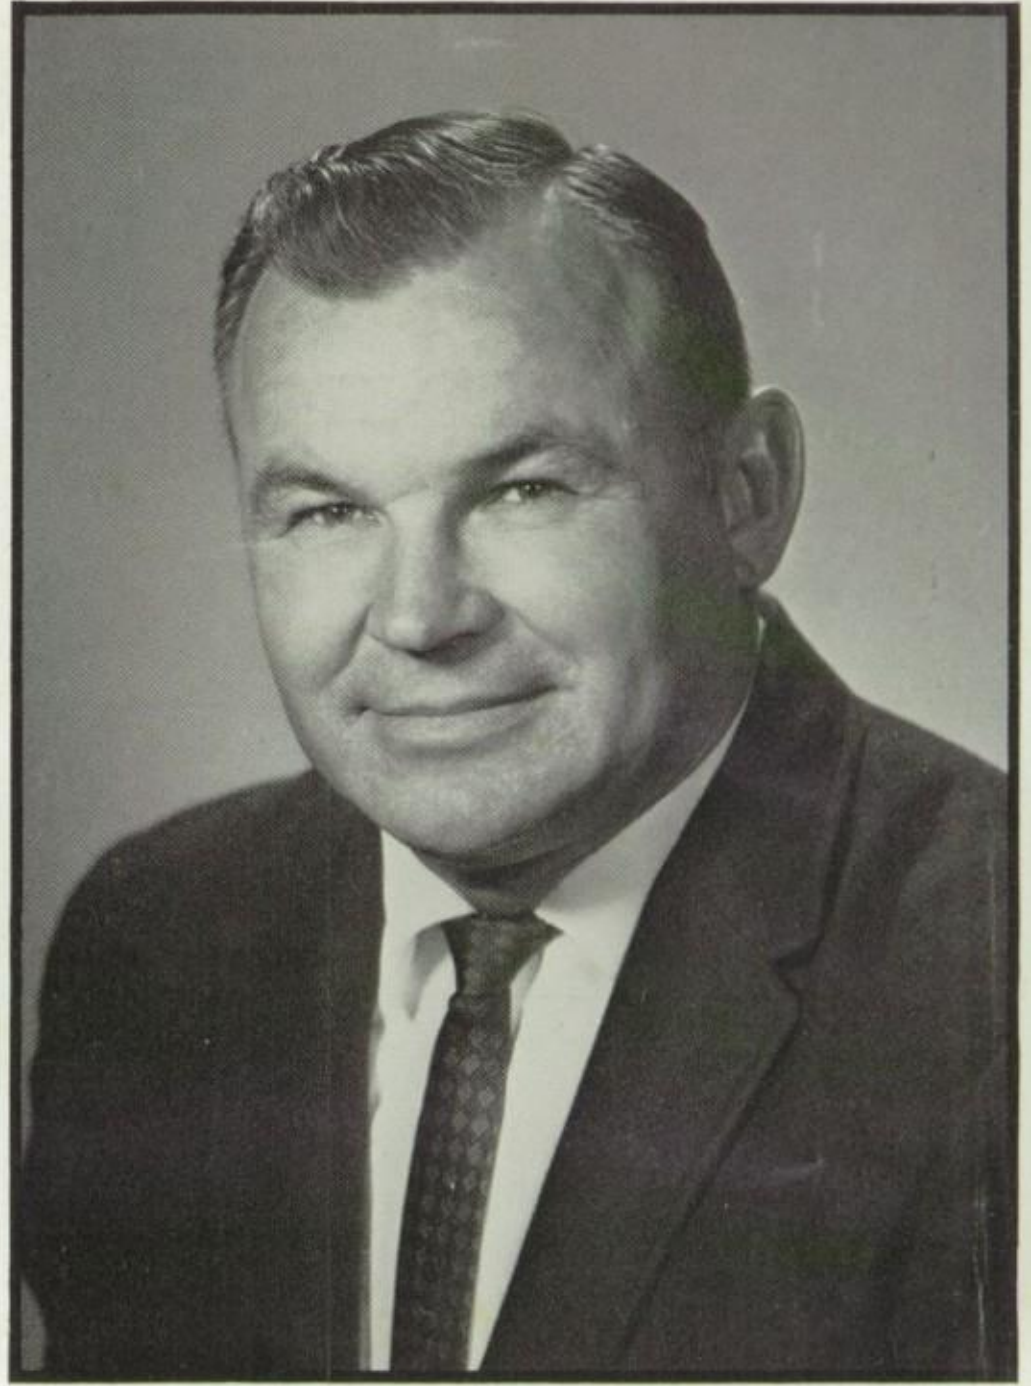

DEDICATION

The Class of 1975 is proud to dedicate this year's SIREN to Mr. Stanley P. Lewza. Over the years, Mr. Lewza has been a coach and a physical education teacher, both of which have been a guiding light to many young people.

Either on the field or in the classroom, Coach has proved himself to be a good friend and a helpful advisor, not only to us seniors but to all students. In addition, Coach has dedicated himself to the spirit of FEHS by coaching two and sometimes three sports. Regardless of the outcome of the game, win or lose, his "grit and determination" has been a source of inspiration to all of us at Fort Edward High.

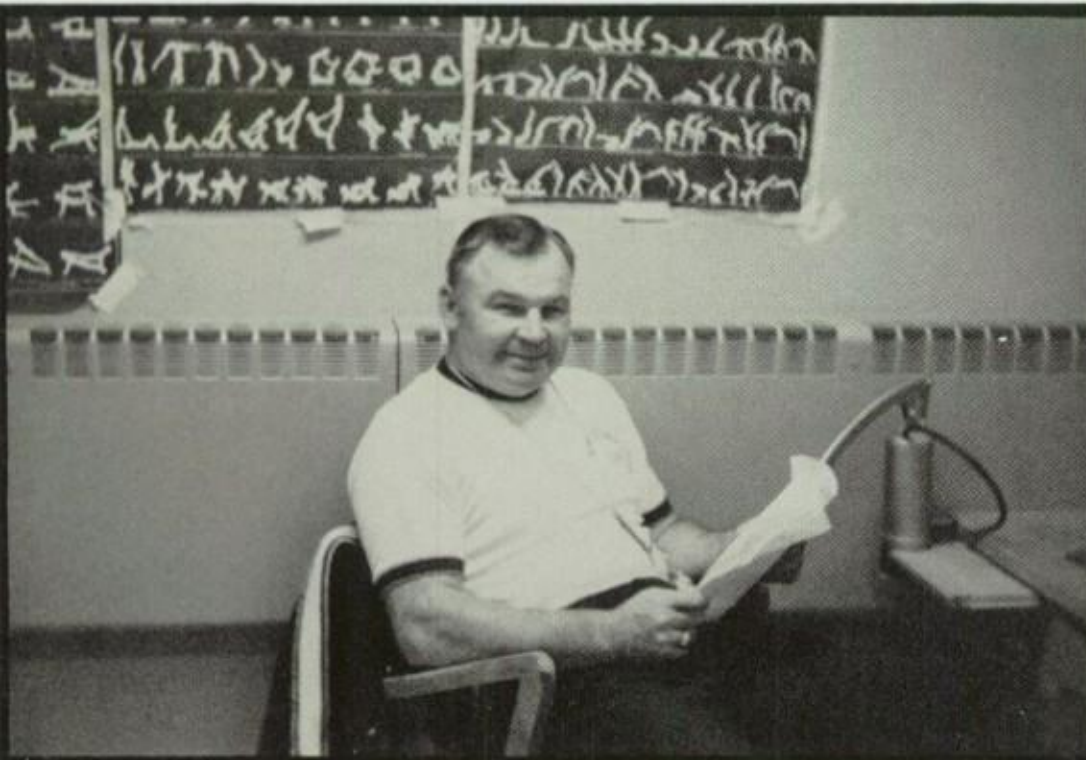

In the years to come, we hope that Coach thinks kindly about the Class of 1975 as he remembers us as we will remember him.

This is our way of saying "thanks."

EDITORS' MESSAGE

EDITOR-IN-CHIEF

MARY TRAINOR
ASSISTANT EDITOR

Beyond this page the Editorial Staff of the Class of 1975 hopes you will find pleasant memories of the past year at Fort Edward High. Even though the SIREN is a senior class publication, we have attempted to include the various activities of all underclassmen.

Also, we would like to recognize the Class of 1925, who fifty years ago published the first school yearbook under the title THE BLUE SIREN.

Realizing that no production can be successful without the cooperation of many people, we would like to thank the following: Miss Mulcahy for her time and excellent photography; Mr. Durling for his professional services; all the administrators and teachers; our patrons and advertisers; Mr. Brady from American Yearbook Co.; and Mr. La-Sarso, our advisor, who with his patience and understanding made this yearbook a reality.

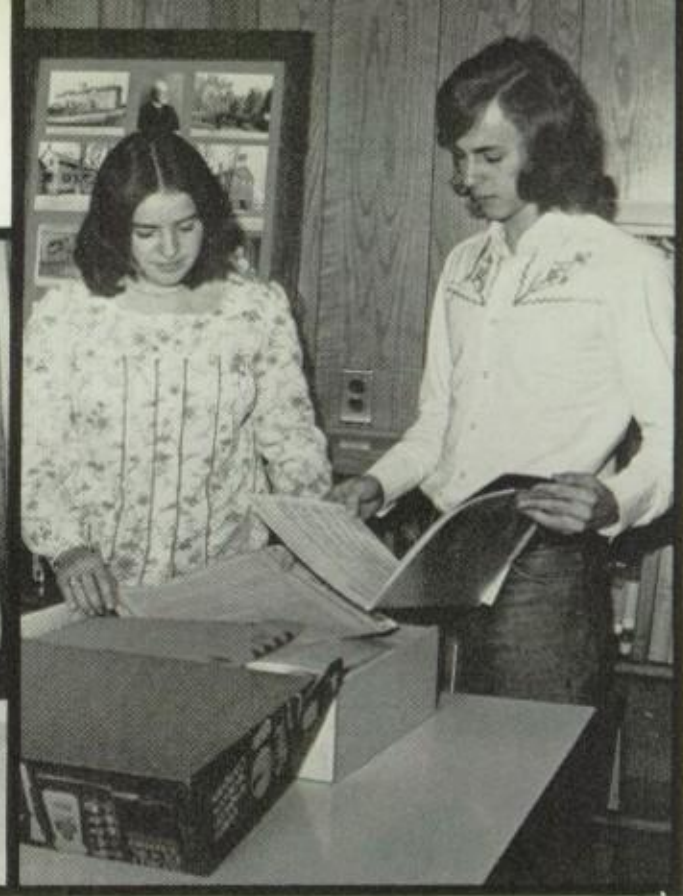

We hope our best year here has been one of yours. Read on and relive a portion of your past.

CLASS HISTORY

In the fall of 1971, we entered Fort Edward High School as frolicking freshmen, looking forward to four years of schooling. For class officers we elected Pete Smith, president; Bob Viault, vice-president; Bill Fisher, treasurer; and Nancy Stoughton, secretary; with Dan Gates, Mark Buckley, Jennifer Witherell, Chris LaSarlo and Mary Vadnais on Student Council. The only event in this otherwise uneventful year was the collection of dues which found only two freshmen paid in full.

The following year we arrived as sophomores, electing Tony Montello, president; Mark Buckley, vice-president; Sandy Williams, treasurer; Nancy Stoughton, secretary; with Chris LaSarlo, Mary Smythe, Sue Hudson, Anne Lewza and Jennifer Witherell on Student Council. This was one of our more productive years as the class held numerous activities including many dances and a Harlem Wizards basketball game. The big event of the year was the ordering of class rings, which were to arrive early in our junior year.

The most eventful year by far was our junior year. To give leadership throughout the year, we selected Tony Montello, president; Mark Buckley, vice-president; Dan Gates, treasurer; and Nancy Stoughton, secretary; with three student council members: Mary Smythe, president; Chris LaSarlo, treasurer; and Sue Hudson, secretary. Since we ordered our class rings in our sophomore year, our rings came in September, and, unbelievably, they came on time. As juniors, we had the task of operating the refreshment stand during football games, and, despite of the weather, we still turned a nice profit. After many weeks of hard work and planning, we presented our Junior Prom, Stairway to Heaven. The gym looked exceptionally beautiful since it was decorated by the Trahan Co. of Troy. Bill Fisher and Colleen Gannon were selected as King and Queen with their court: B. Cutler, D. Cassant, M. Buckley, D. Donahue, D. Gates, B. Viault on King's Court and the Queen's Court: N. Stoughton, S. Williams, P. Fisher, C. Forte, E. Donbeck, M. Smythe.

Finally, we became wise old seniors. Again, we elected officers: Tony Montello, president; Mary Vadnais, vice-president; Dan Gates, treasurer, and Nancy Stoughton, secretary. Elected as student council members were: Mary Smythe, president; Anne Lewza, vice-president; Sue Hudson, secretary, and Chris LaSarlo, treasurer.

Senior activities took many forms this year. A new renovation in the form of a Humanities program was offered to the seniors this year. For the first time seniors were introduced to man's relationship to those around him in the fields of art, music, religion, philosophy, etc. One of the highlights of the year included "Greaser Day" for the entire student body. Under senior direction the 1950's were relived with Craig Jordan being the "Greasiest Greaser" of the event. In addition to our involvement in Open Campus, which was enjoyed by all the seniors, we held some dances and sold refreshments at the basketball games, all of which added to our class treasury. Again, as seniors, we took over the production and financing of the SIREN, our class annual, which was received well by all.

Finally, in June, after a hard year's work, the class held an all day outing with a banquet. Before graduation, the seniors participated in Baccalaureate Services, held by the local churches, and the Alumni invited us to its annual dinner-dance. Then on Graduation Day we became full-fledged members of the Fort Edward High School Alumni.

At this time we would like to thank all those who have assisted us during the past four years, particularly Mr. Broderick, our senior class chairman advisor, and his associates, Mrs. Hardick, Miss Cicero, Mr. Lewza and Mr. Salem. Also, we would like to thank our parents and our teachers who with their patience and guidance have helped us during the past four years.
